Attention Youth and Young Adults, The Pope Wants To Hear From You!

To better understand the lives, attitudes and concerns of young people ages 16-29, the Vatican has released an online questionnaire in preparation for the 2018 Synod of Bishops on "Young People, the Faith, and Vocational Discernment." Young people from around the world are encouraged to take part in this unprecedented opportunity. The questionnaire-available in English, Spanish, French and Italian- is open to any young person, regardless of faith or religious belief, and can be found on the synod's official site at youth.synod2018.va/content/synod2018/it.html (You will have to translate the page). In marriage, communication is more than just talking. At some point, did you stop sharing about the things that were important to you? Did your spouse? Improving a marriage takes time and a conscious effort to learn about your spouse. Growing closer in a marriage does not happen automatically. Retrouvaille is a marriage program dedicated to helping couples grow closer and develop a stronger bond. You give your heart and soul to everything you do, between your work and your family. Are you giving your heart and soul to your marriage? Sometimes the distance between a husband and a wife can seem so wide that it cannot be repaired. Retrouvaille is a marriage program designed to bring couples closer together. For more information about our upcoming Retrouvaille Weekend, July 28th – 30th, 2017 program for couples, contact: Zack & Heather @ 317-691-2258 or visit our website: HelpOurMarriage.com
